

Safety Consultant Positions Open:

SOTARIS, LLP a safety consulting and compliance company based in Cleveland, Ohio area is looking to fill Safety Consultant Positions. The ideal candidates will be self-starters and the primary job function will be to provide ongoing safety consulting, training and compliance support services to our customer base. Travel is necessary and anticipated to be 50% of the time; however many days there will be work from home opportunities.

Responsibilities:

- Investigate specific incidents and complaints to identify improvement strategies.
- Inspect sites, provide risk assessments and identify potential OSHA violations and safety hazards, documenting recommendations, and training to reduce risk in various workplaces.
- Present safety information to customer's employees and management.
- Perform data gathering on-site and develop procedures and programs using MS Office software including MS Access, MS Word, and MS Excel. AutoCAD experience a plus.
- At times may need to install safety procedures and energy isolation point tags
- Engage in worker safety training and lead workshops and interventions to improve safety behaviors and equipment usage.
- Research and present data related to employee accidents, near-misses and hazards,
- Inspect machinery and safety gear to ensure their proper operation and workers' protection
- Develop client relationships and look for new business opportunities.

Requirements:

- Bachelor's degree in Occupational, Health and Safety or related field desired.
- Experience in Safety Audits, Lockout/Energy Control, Electrical Safety, and Confined Space are a must.
- The ideal candidate will minimally have 3 years safety experience in a manufacturing environment.
- Available for travel and potentially long hours during given weeks
- The ability to evaluate technical information regarding workplace safety
- Proficiency with basic computer programs such as Microsoft Office
- Excellent verbal and written communication skills
- Certifications are a plus: CSP, COSS, CHST, or other.

Salary and benefits will be commensurate with experience. Please send resumes to hr@sotaris.com
